

it everyday

I think about

nothing lasts

forever

now it doesn't
come that way?
? ? ? ? ?

it has to

how

Don't know

This organ in my

body I'm always
pressing it
down

WELLER

FEEL

ended underneath
it...

don't know how
to get around...

two
when
colder
feels better

not that it's so
essential

Steady living
without
